

A Chamber-endorsed Workers' Compensation Program

A Partnership That *Fits*

At **First Benefits Insurance (FBI)** we focus on providing quality workers' compensation programs that will help you manage your costs. We do this by working with you to create a culture of safety for your employees, prevent workplace injuries and lower claims costs.

Your Chamber provides valuable money-saving services and benefits aimed at reducing your day-to-day business expenses.

Together, these two are the perfect *fit* for your business.

First Benefits Insurance (FBI) is based in Raleigh with all operations and decisions handled locally. At FBI we know how important it is to match our clients with the best payment plan for their business. We have several from which you can choose, but we think you'll **be interested in our monthly self-reporting plan**. It is designed specifically to allow seasonal employers to pay insurance premiums every month using actual payroll one month in arrears. Unexpected year-end premium surprises at audit are eliminated.
